Savings Program Requirements

Am I eligible?

You may be eligible for the J&J withMe Savings Program if you use commercial or private health insurance for your prescribed AKEEGA or ERLEADA, and must pay an out-of-pocket cost for your medicine. Participate without sharing your income information.

Some health plans have programs or benefit designs known as “accumulators” or “maximizers.” These programs divert patient assistance funds away from patients.

- Accumulators don’t allow patient assistance to count toward the patient’s deductible and out-of-pocket maximum until the maximum value of the patient assistance is reached.
- Maximizers also don’t allow patient assistance to count toward the patient’s deductible and out-of-pocket maximum. Maximizers apply the full value of the patient assistance over the year. This could be either the same amount each month or a larger amount early in the year that tapers off, without allowing any of those funds to count toward the patient’s annual deductible or out-of-pocket maximum.
- The J&J withMe Savings Program is designed solely for the benefit of the patient. Thus, Johnson & Johnson reserves the right to reduce the J&J withMe Savings Program maximum benefit for patients in an accumulator or maximizer program or benefit design, except where prohibited by law.

In addition, some health plans have “non-essential health benefit maximizers” that conflict with the program requirements of the J&J withMe Savings Program.

- These programs or benefit designs, like the services offered by SaveOnSP, classify certain specialty medicines such as AKEEGA or ERLEADA as “non-essential.” This takes away protections for patients provided by the Affordable Care Act (ACA) related to maximum out-of-pocket limits.
- The J&J withMe Savings Program is designed solely for the benefit of the patient. If your insurance company or health plan partners with SaveOnSP, then except where prohibited by law, you will not be eligible for, and you agree not to use, the J&J withMe Savings Program.
- Please let J&J withMe know if your insurance company or health plan has one of these programs or benefit designs, including SaveOnSP, by calling **833-JNJ-wMe1** (833-565-9631) to discuss your options. Since you may not know you are subject to one of these programs or benefit designs when you enroll in J&J withMe, J&J will monitor your utilization.
- J&J reserves the right to discontinue cost support if you no longer meet eligibility requirements.
- If your health plan removes AKEEGA or ERLEADA from its partnership with SaveOnSP or other non-essential health benefit maximizer, you may be eligible to be reinstated in the J&J withMe Savings Program.

By utilizing this Savings Program, you accept and agree to abide by these program requirements. Any individual or entity who enrolls or assists in the enrollment of a patient in the Savings Program represents that the patient meets the eligibility criteria and other requirements described.

Examples of these programs are Medicare, Medicaid, TRICARE, Department of Defense, and Veterans Administration.
- By enrolling in this program, you agree that this program is intended solely for the benefit of you, the patient. You may not seek payment for the value received from this program from any health plan, patient assistance foundation, flexible spending account, or healthcare savings account.
- You must meet the program requirements every time you use the Savings Program.
- Program terms will expire at the end of each calendar year. The program may change or end without notice, including in specific states.
- Program participants are subject to an annual maximum benefit. Program benefits are set at the discretion of J&J and may change without notice.
- Patients who are subject to programs, health plans, or benefits that claim to **reduce** their patients' out-of-pocket co-pay, co-insurance, or deductible obligations for certain prescription drugs based upon the availability of, or patient's enrollment in, manufacturer-sponsored co-pay assistance for such drugs will be subject to a reduced annual maximum program benefit per calendar year (not applicable to patients in Maine).
- Patients who are subject to programs, health plans, or benefits that claim to **eliminate** their out-of-pocket costs are not eligible for the J&J withMe Savings Program, because this program is only for people who must pay an out-of-pocket cost for AKEEGA or ERLEADA.
- Notwithstanding any other term of this program, patients who are members of health plans that partner with SaveOnSP, or who are subject to services administered by SaveOnSP, are not eligible for the J&J withMe Savings Program. If your health plan removes AKEEGA or ERLEADA from its partnership with SaveOnSP, you may be eligible for the J&J withMe Savings Program.
- To use this program, you must follow any health plan requirements, including telling your health plan how much co-payment support you get from this program, if required. By using the Savings Program, you confirm that you have read, understood, and agree to the program requirements on this page, and you are giving permission for information related to your Savings Program transactions to be shared with your healthcare provider(s).
