

Trial Offer Program for AKEEGA and ERLEADA

Free 30-day trial supply for eligible patients

Eligible patients receive a **free 30-day** trial supply of AKEEGA or ERLEADA with a valid, signed 30-day prescription for an FDA-approved use. The Trial Offer allows eligible patients to try AKEEGA or ERLEADA to help them determine if it is right for them. During the trial period, you will have the option for J&J withMe to confirm coverage. At the conclusion of the program, you will be provided with the results of a benefits investigation. Terms expire at the end of each calendar year and may change. One (1) Trial Offer is allowed per patient, per product, per lifetime. Please see program requirements on page 3.

Eligible patients must meet the following requirements:

- Have never taken AKEEGA or ERLEADA, including samples
- Have been prescribed AKEEGA or ERLEADA for an FDA-approved use

This Trial Offer is open to patients who have commercial insurance, government coverage, or no insurance coverage; however, there is no guarantee of continuous accessibility after the program ends.

There are no per-provider limits.

How it works

- 1** After you and your patient have decided to try AKEEGA or ERLEADA:
 - Visit **Portal.JNJwithMe.com** to enroll your patient in the Trial Offer Program for AKEEGA or ERLEADA. A **Johnson & Johnson patient support program patient authorization form**, signed by the patient, is needed for enrollment*
- 2** You can choose to ship the trial supply to your office, the in-office pharmacy, or directly to your patient. If shipping to your office or in-office pharmacy, the Specialty Pharmacy will ship Monday through Thursday for next business day delivery.
- 3** Your patient's 30-day trial supply of AKEEGA or ERLEADA will be sent to the location of your choosing: your office, the in-office pharmacy, or directly to your patient.
- 4** Once your patient has received their 30-day trial supply, please discuss next steps. At the conclusion of the program, you and your patient will decide whether to continue treatment with AKEEGA or ERLEADA.

*J&J withMe cannot accept any patient information without an executed individual patient authorization.

†AKEEGA is indicated in combination with prednisone. It is your responsibility to initiate a separate prescription for prednisone to be taken with AKEEGA. Prednisone will not be given to the patient as a part of this voucher program. Please refer to the full Prescribing Information for complete information prior to initiating treatment.

Other requirements

- Patients enrolled in a Medicare Part D plan are eligible for this free 30-day trial offer but may not submit a claim for the costs paid by this program to count toward true out-of-pocket (TrOOP) costs
- Patients may not seek payment for the value received from this program from any health plan, patient assistance foundation, flexible spending account, or healthcare savings account
- One (1) Trial Offer is allowed per patient, per product, per lifetime
- The Trial Offer Program terms expire at the end of each calendar year. The program may change or end without notice, including in specific states
- By using the Trial Offer, the patient confirms that they have read, understood, and agree to the program requirements
- The program will collect personal information that may include the patient's name, address, phone number, email address, and information related to their prescription medicine insurance and treatment. This information is needed for Johnson & Johnson Health Care Systems Inc. and our service providers to enroll the patient in the J&J withMe Trial Offer Program for AKEEGA and ERLEADA. We may also use the information the patient gives us to learn more about the people who use AKEEGA and ERLEADA, and to improve the information we give them. Johnson & Johnson Health Care Systems Inc. will not share the patient's information with anyone else except where legally allowed
- This program offer may not be used with any other coupon, discount, prescription savings card, free trial, or other offer. Offer good only in the United States and its territories. Void where prohibited, taxed, or limited by law

The patient may end their participation in J&J withMe at any time by calling 833-JNJ-wMe1 (833-565-9631).

The patient support and resources provided by J&J withMe are not intended to give medical advice, replace a treatment plan from the patient's healthcare provider, offer services that would normally be performed by the provider's office, or serve as a reason to prescribe a J&J medicine.
