

ICOTYDE *withMe*

Once you and your  
doctor have decided  
that ICOTYDE is  
right for you

## Get the personalized support you need when you need it

The support and resources provided by ICOTYDE withMe are not intended to provide medical advice, replace a treatment plan you receive from your doctor or nurse, or serve as a reason for you to start or stay on treatment.

ICOTYDE™  
(icotrokinra) tablets

**ICOTYDE withMe** gives you free, personalized support from the start.

## ICOTYDE withMe offers:

### **Prescription and Cost Support**

ICOTYDE withMe can help you verify your insurance coverage, understand how to fill your prescriptions, and find ways to make treatment more affordable, even if you don't have insurance.

### **Patient Portal**

The **Patient Portal** lets you view account details and get access to personalized resources all in one place.

### **Dedicated Nurse Guide\***

A registered nurse committed to answering your questions in real time and connecting you to helpful resources.

\*Nurse Guides do not provide medical advice. Please ask your doctor any questions you might have about your disease and treatment.
