The patient support and resources provided by IMAAVY withMe are not intended to give medical advice, replace a treatment plan from the patient's healthcare provider, offer services that would normally be performed by the provider's office, or serve as a reason to prescribe IMAAVY™.

Information about your patient's insurance coverage, cost support options, and treatment support is given by service providers for IMAAVY withMe. The information you get does not require you or your patient to use any Johnson & Johnson product. Because the information we give you comes from outside sources, IMAAVY withMe cannot promise the information will be complete.
