This Virtual Payment Card can only be used when filling your TREMFYA® (guselkumab) prescription.

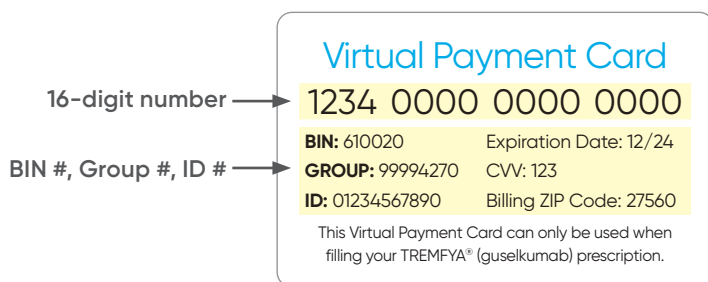

Each time your pharmacy fills your TREMFYA® prescription, you can use your Savings Program Virtual Payment Card to reduce your out-of-pocket cost to as little as \$0 per dose. Maximum program benefit per calendar year shall apply. Offer subject to change or end without notice.

- You may access your Virtual Payment Card by visiting JNJwithMeCard.com or calling 833-742-0702
- You can sign up to receive text message updates by texting "INFO" to **94932** (message and data rates may apply). The text message will tell you the amount that will be loaded to your Virtual Payment Card. You will need to provide this amount to the pharmacy. If you do not wish to sign up for text message updates, you may visit JNJwithMeCard.com to obtain this amount information. See [Terms](#) and [Privacy Policy](#).

How to use your Virtual Payment Card (cont'd)

Step 1

When you go to fill your prescription, provide the BIN number, Group number, and Member ID number on your Virtual Payment Card to your pharmacy.

They will process the information and tell you your out-of-pocket medicine costs.

Step 2

Provide your pharmacy with the 16-digit number from your Virtual Payment Card to pay for your medicine costs.

You can ask your pharmacy to keep this Virtual Payment Card number on file for future refills, or you can provide it each time you fill your prescription.

The Virtual Payment Card is only to be used for your TREMFYA[®] prescription filled by your pharmacy.

- *If you've opted in to text messages, you will receive a text message informing you of the amount loaded to your Virtual Payment Card*
- *If you haven't opted in to text messages, you can see this amount under "View Your Account" on JNJwithMeCard.com*
