

Join J&J's LAIs Site Locator Terms of Participation

By providing your information below, you are requesting to register your pharmacy or clinical location to be listed in J&J's LAIs Site Locator.

To be listed in J&J's LAIs Site Locator, the participating site must meet all the following criteria (the "Criteria"):

- All healthcare providers (HCPs) administering injections ("injection administrators") at the site must fully understand the full Prescribing Information, including Boxed WARNING, for INVEGA SUSTENNA® (paliperidone palmitate), INVEGA TRINZA® (paliperidone palmitate), and INVEGA HAFYERA® (paliperidone palmitate)
- The injection site shall be capable of accepting referrals of adult patients living with schizophrenia for the administration of an intramuscular injection of INVEGA SUSTENNA®, INVEGA TRINZA®, and INVEGA HAFYERA®, provided such patients meet the requirements of the injection site's practice
- All injection administrators must be familiar with the proper preparation and administration of INVEGA SUSTENNA®, INVEGA TRINZA®, and INVEGA HAFYERA® as set forth in the applicable FDA-approved Prescribing Information for each product
- The injection site must hold valid pharmacy and other relevant licenses as required by all applicable state and/or federal laws
- All injection administrators must hold a current, valid, and unrestricted license, authorizing such injection administrators to administer INVEGA SUSTENNA®, INVEGA TRINZA®, and INVEGA HAFYERA®
- The injection site must have a private room or private area for administration of INVEGA SUSTENNA®, INVEGA TRINZA®, and INVEGA HAFYERA®

You hereby represent, warrant, and covenant that, as of the date hereof, and throughout the term of your injection site's participation in J&J's LAIs Site Locator, the injection site and the injection administrators therein comply, and shall comply, with the Criteria above. In the event that your injection site or any of the injection administrators no longer meet the Criteria above, you shall immediately notify the program administrator at InjectionSiteofCareSupport@its.jnj.com. Upon such notification, the injection site and/or any non-compliant site of the injection site will be immediately disqualified from participation in J&J's LAIs Site Locator.

J&J's LAIs Site Locator offers HCPs who have prescribed INVEGA SUSTENNA®, INVEGA TRINZA®, and INVEGA HAFYERA® the opportunity to locate an injection site for their patient's injection from a database of enrolled injection sites.

No fees shall be paid in exchange for participation in the J&J LAIs Site Locator or enrollment in this database. In no event shall Johnson & Johnson Health Care Systems Inc. or its affiliates, employees, or agents, be liable for any damages resulting from or related to this service.

Inclusion of the injection site in J&J's LAIs Site Locator does not represent, and should not be represented in any manner as, an endorsement, referral, or recommendation from Johnson & Johnson Health Care Systems Inc. These Terms of Participation are not, and should not be used or construed as, an inducement to or reward for the referral of patients or the use of any Johnson & Johnson product. You hereby acknowledge and agree that the injection site is solely responsible and liable for the quality of patient care provided by the injection site. In no event shall Johnson & Johnson Health Care Systems Inc., or its affiliates, employees, or agents, incur any liability or responsibility for such patient care.

You hereby represent, warrant, and covenant that, as of the date hereof and throughout the term of the injection site's participation in J&J's LAIs Site Locator, you, the injection site, and all injection administrators shall comply with all applicable state and federal laws, including without limitation all such state and federal laws regulating physician referrals, such as anti-kickback laws, the Stark law, or state professional practice restrictions.

Further, you hereby represent, warrant, and covenant that you, the injection site, and all injection administrators, as of the date hereof and throughout the term of the injection site's participation in the J&J's LAIs site locator, are (a) not excluded from any federal healthcare program as outlined in Sections 1128 and 1156 of the Social Security Act (see the Office of Inspector General of the Department of Health and Human Services List of Excluded Individuals/Entities at https://www.oig.hhs.gov/fraud/exclusions/exclusions_list.asp); (b) not debarred by the Food and Drug Administration under 21 U.S.C. 335a (see the FDA Office of Regulatory Affairs Debarment List at <https://www.fda.gov/inspections-compliance-enforcement-and-criminal-investigations/compliance-actions-and-activities/fda-debarment-list-drug-product-applications>); and (c) otherwise not excluded from contracting with the federal government (see the Excluded Parties Listing System at <https://www.sam.gov>).
